

2021/2022 MANCELONA CHAMBER OF COMMERCE Chamber Bucks Participants

All of our members are eligible to participate in the Chamber Bucks program, but not all are able to, whether it be for legal, corporate policy, or other reasons.

We strongly suggest you redeem your Chamber Bucks into Gift Cards at the participating businesses of your choice, then use the gift cards at your leisure. Don't forget to use some of your Chamber Bucks at our seasonal businesses. Reach them through their social media pages for instructions on redemption.

Your local hometown merchants appreciate your business. Thank you for supporting them. This list is subject to change; we will attempt to keep it current. Please call Mancelona Chamber of Commerce if questions – 231-587-5500.
